

THE SMART STAFFING SOLUTION TO FAST TRACK YOUR WAY TO SUCCESS

We are the largest and fastest growing staffing company for lawyers and law firms in the United States.

3 BIGGEST REASONS WHY MODERN LAWYERS are hiring offshore TEAM MEMBERS

1 SAVE UP TO 70% ON TRADITIONAL COST
 The international workers we hire make **above-average salaries** for where they live. Not only are those salaries significantly lower than U.S. averages, you also avoid employment taxes. It's a **win-win**.

2 REDUCE TURNOVER IN ENTRY-LEVEL POSITIONS
 Each time a domestic employee leaves your firm, filling the position has **\$4,800 in hidden costs**, plus you lose weeks of productivity. Our Replacement Guarantee solves this **costly and annoying** turnover problem.

3 FREE UP YOUR HIGHER LEVEL EMPLOYEES
 If you have overworked employees wearing multiple hats (and we all do!), hiring overseas team members to serve as assistants will **relieve that pressure** and skyrocket **focus and productivity**.

WHAT MAKES US DIFFERENT AND HOW WE FIND THE BEST

1 Founded by **Lawyers, for Lawyers**

2 **Top 1%** of verified english-speaking VA's from **Latin America**

3 Vetted, tested and placed using the highest matchmaking **accuracy software** in the market
